

## **Join Bath & North East Somerset Council for the Zero Waste Challenge Week**

**Monday 29<sup>th</sup> September to Sunday 5<sup>th</sup> October 2008**

The award winning Zero Waste Challenge Week is now in its third year and Bath & North East Somerset Council has teamed up with Bristol, North Somerset and South Gloucestershire Councils to encourage as many of us as possible to give it a go and see how little you can throw away over one week.

The aim of the Zero Waste Challenge Week is to reduce, reuse, recycle and compost as much as you can instead. You don't have to reach zero – it's the taking part that matters, but you may be surprised at just how much less you can throw away when you make that special effort.

We are keen for as many people as possible to take part in the challenge so we hope that you will support us by registering to take part. You can register by contacting Council Connect on 01225 39 40 41 [councilconnect@bathnes.gov.uk](mailto:councilconnect@bathnes.gov.uk) By registering you will be sent a pack full of information and ideas and a record form for the week with the chance to win £50 in a prize draw by returning your form.

The more of us who take part the bigger impact we can have so do encourage your friends and family to register to take part too. If you would like further information about the challenge, please contact Council connect or see the Council's website for further details: [www.bathnes.gov.uk/wasteservices](http://www.bathnes.gov.uk/wasteservices)
